FEDERAL ELECTION

In November, 2011 I arranged with Mr James Terpening of Saint Johns, MI 48879, to build a Presidential Campaign Website to begin receiving donations for the Campaign. In December Mr. Terpening was paid for this work. The website went live on December 12, 2011. On that same day, the website began to receive donations for the Campaign. Mr. Terpening acknowledged the receipt of these funds, but he has not to this day made arrangements to transfer the funds and access to the website to me.

An unknown amount of funds are being received through this website for my Presidential Campaign, but only Mr James Terpening has access to that account. I am therefore self reporting this situation as a violation of Federal Election Campaign Laws.

Sincerely

Dr Terry Jones
